TIGHTFIT FLOORING

FREE ESTIMATES

FLOORS THAT FIT TIGHT.

Tile and hardwood floors, installed and repaired in homes across West Central Florida. Straight lines, flat floors and seams you have to look for.

TILE INSTALLATION

Porcelain, ceramic and stone. Large format and wood-look plank. Tear-out and slab prep included in the plan.

HARDWOOD FLOORING

Engineered and solid. Herringbone, chevron and straight lay. Moisture-tested before a board goes down.

FLOOR REPAIR

Cracked, hollow and tented tile. Cupped or water-damaged boards. We fix it and find the cause.
